

Shaheen Beauchamp Builders LLC wins bid to expand and renovate Battle Mountain General Hospital

Shaheen Beauchamp Builders LLC, a commercial general contracting firm based in Carson City, has been awarded the contract to expand and renovate the emergency room and long term care facilities at Battle Mountain General Hospital. The multi-phased project will require extreme coordination to maintain the emergency room and healthcare facilities 24-hour operation. Shaheen Beauchamp Builders LLC specializes in healthcare construction including most recently work for Carson Tahoe Regional Healthcare, Carson Urologists, Carson Medical Group, GI Consultants, and the Skin Cancer & Dermatology Institute. The Architect for the project is HMC Architects, Reno, NV.
