Carson City builder selected to build new administrative office and medical clinic

Carson City, NV – June, 2011 – Shaheen Beauchamp Builders LLC has been selected to construct a new administrative office and medical clinic.

Nevada Health Centers, Inc. a non profit rural regional medical service provider has selected Shaheen Beauchamp Builders LLC to construct their new administrative office and medical clinic in Carson City. Shaheen Beauchamp Builders provided a complete land, design services and Construction Management package in response to a request for proposal issued by NVHC. The project, funded by an ARRA grant administered through the Department of Health and Human Services, will fund the \$6.2M dollar project.

The new state of the art building will be located at 3325 Research Way in Carson City. Consisting of approximately 21,000 square feet, the two story building will house the Northern Nevada administrative offices for Nevada Health Centers, Inc and the Sierra Family Health Clinic, a provider of health care services to rural Northern Nevada families.

Shaheen Beauchamp Builders has successfully completed numerous medical projects for many different physicians groups including Gastroenterology Consultants, Carson Urologists Ltd, Skin Cancer and Dermatology Institute, Carson Medical Group, and Carson Surgical Group.
